

We have really enjoyed our story of the week 'Anna's amazing multi-coloured sunglasses'. We even had our own amazing glasses and saw everything turn to blue, green, red, yellow and purple. There was lots of talk about what we could see!

We have been learning to copy and create simple repeating patterns using our favourite colours in group activities. In the garden, we also used leaves, conkers and sycamore seeds.

In the writing area, we created some really good pre writing patterns which included vertical and horizontal lines and circles. It was so much fun practising these marks with cotton buds on zip lock paint bags too.

### Story of the Week

This year parent's meeting will take place in Nursery Tuesday 18<sup>th</sup> October and Wednesday 19<sup>th</sup> October. Please book in an appointment with Miss Daniels and Miss Manley.  
We look forward to discussing your child's transition into Nursery and their achievements so far.

### Polite Notice

Can we please remind parents and carers the Nursery door will be opened at 8.45am and closed at 8.50am for morning children. For the afternoon session the door will be opened at 12.15pm and closed at 12.20pm. If the gate is closed please take your child to the main office. Thank you.

### Rhyme of the Week

Here we go 'round the mulberry bush  
The mulberry bush  
The mulberry bush  
Here we go 'round the mulberry bush  
On a cold and frosty morning

This is the way we jump out of bed,  
jump out of bed, jump out of bed. This  
is the way we jump out of bed on a  
cold and frosty morning.

Continue singing...

This is the way we wash our face,  
brush our teeth, put on our clothes, eat  
our breakfast and walk to school.

### Homework Challenge

An Autumn walk  
Please read the  
letter attached

### Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!

## Homework Challenge

### Autumn is here!

We would love the children to have fun and spend some time exploring the outdoor environment by going for an Autumn walk.

Wrap up and go for a walk and see what you can find! Perhaps explore your local park and collect Autumnal items for example leaves or conkers.

We have given every child a bag so they can place Autumn items in and we ask if parents could write where they went to collect the items to prompt discussion back in Nursery.

Don't forget to take photographs during your walk so we can share them in class. Please upload them to seesaw. Thank you!

We hope you have fun exploring Autumn!
