

We have really enjoyed engaging in a range of Autumn themed activities this week. These have included leaf rubbings, using Autumnal loose parts and talking about colours in nature including animals. In the garden we went on a leaf hunt too.

We have been learning lots of new naming words related to the season Autumn, such as conkers, acorns, pine cones, twigs and leaves.

In Maths activities we practiced our counting skills and loved joining in with our rhyme of the week in the garden.

### Story of the Week

### Rhyme of the Week

(Tune to 5 Little Ducks)

5 little leaves on an Autumn day  
We're dancing around on the tree one  
day  
The wind came blowing through the  
town

Whooooo whoooooo  
And 1 little leaf came tumbling down.

### Half Term.

In Nursery we encourage the children to be independent wherever possible. Next week we would like you to support your child's self-help skills, in particular putting on their coat by themselves. In Nursery we teach the children to put their hood over their head first like a superhero cape, and then find their sleeves. It is a huge boost to children's self-esteem when they can do this for themselves!

If this is something they can do already, move on to zipping up their coat.

We are so happy and pleased of how well the children have settled into Nursery life. They are all happy, enthusiastic and we can't believe they have completed a term in school already!

Our next topic is 'Family Time and Celebrations'. We will be celebrating Halloween, Bonfire Night, learning about Diwali and finally preparing for Christmas. It is going to be another fun and busy term! Have a great week everyone.

### Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!

## Lister Infant School Open Evening

Thursday 3<sup>rd</sup> November - 3.45pm- 5pm

We would like to invite prospective parents and carers to visit our Nursery and Reception classes. We would also like to give the opportunity to tour our school, speak to staff and find out more about how we deliver a high quality education for all of our pupils.
