

This week we have continued to name and find our body parts. We created faces using playdough, loose parts and natural materials in the garden.

The creative area was busy, painting some amazing self-portraits to display in Nursery. They look wonderful! We paid great attention to our reflection in a mirror and we celebrated how different we all are.

Our story was popular and we thought of our own ideas of why the owl would say Wow! In the funky fingers area we continued to practise colour sorting by feeding owls the correct coloured food using tweezers.

Story of the Week

Rhyme of the Week

Red and yellow and pink
and green, Orange and
purple and blue. I can sing
a rainbow, Sing a rainbow,
sing a rainbow too!

Homework Challenge!

I can find colours in my house...

This week you will need to log into seesaw to find the homework challenge. Our colour recognition skills have been great so we would like you to go on a colour hunt in your house.

Search your house and take pictures to add to the colour spots. An example has been done for you to see Miss Manley's colour hunt.

We are looking forward to seeing what you find!

Have fun!

Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
