

This week the children were excited to share their bonfire night news and drew some lovely pictures of fireworks.

In busy time we enjoyed bonfire night themed activities. We created bright and sparkly firework pictures using straws and forks. As we painted we talked about the sounds fireworks make using vocabulary whizz, pop, bang, fizz and crackle.

During dance we used colourful scarves to move and make noises like fireworks in the sky.

We read about Mr Bear in our story of the week and this has started to help us learn about the different parts in a house.

### Story of the Week

### Rhyme of the Week

(Tune to The Wheels on the Bus)

The rockets in the sky go swish swish bang  
swish swish bang swish swish bang  
The rockets in the sky go swish swish bang  
On bonfire night.

The Catherine wheels spin round and round  
round and round round and round  
The Catherine wheels spin round and round  
On bonfire night.

The Jumping Jacks go jump jump bang  
Jump jump bang Jump jump bang  
The Jumping Jacks go jump jump bang On  
Bonfire Night

We were very respectful with a minutes silence on Remembrance Day. The creative area was busy with us painting gorgeous poppy fields and creating with loose parts.

We watched a lovely animation to help us understand through the eyes of the animals who lived in the poppy fields.

Next week is another busy one too..

It is National Nursery Rhyme Week. The children will be learning a rhyme a day and we want them to bring their best singing voices each day to Nursery! It is going to be a very musical week! Practise singing some rhymes at home this weekend, we would love to see them on seesaw too.

We will finish the week with a special performance for parents on Thursday. The performance will be held in the Nursery. Morning nursery parent performance 9.00 and afternoon nursery performance 12.30. The performance will last for around 10 minutes.

### **Magical Moment**

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
