

This week Nursery has been filled with laughter and singing!

Well done to everyone in Nursery we were very impressed with how well they sang each day.

In continuous provision we created ships in the block area, caught fish in the water, put Humpty Dumpty back together again and used instruments to accompany rhymes. We also pretended to be frogs sat on logs in the garden.

We also talked about being a kind friend in circle time as part of Anti Bullying week. Following on from learning rhymes, we sang friendship songs too.

Story of the Week

Rhyme of the Week

Please see the song links on seesaw and our 'Nursery' school web page

We would love to see some singing on seesaw too, so please share it with us!

Children In Need

Thank you for your kind donations and support for this event. We took part in lots of fun activities which included making a spotty biscuit, a bear hunt, games and making spotty Pudsey and Blush bear masks.

It has been a very musical week in Nursery! Thank you to all the parents, carers and grandparents who came to the performance. We hope you all enjoyed it. We are very proud of the children and how well they sang for you.

We have sent a song book home for you to keep and support your child with singing. Don't forget to check our Twitter page and seesaw to see recordings of them performing the songs.

Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
