

This week we have been reading another great story from the Large Family collection 'Mr Large in Charge'. It also helped with learning about another room in a house – the bedroom.

In the home corner we created a bedroom and loved acting out the bedtime routine with friends. This included making the beds and reading a bedtime story with a bear. We also improved our self-help skills by putting on slippers and dressing gowns.

In speaking and listening activities we enjoyed played a game of 'Noisy Neighbour' listening and identifying different sounds we hear in a house.

Happy December Nursery families! The Christmas countdown has begun- we are very excited!
The children have been practising for our Christmas sing-a-long and they are looking forward to performing for
you.

Due to the size of Nursery and making everyone comfortable (including the children) each family is allowed two
guests to the performance.

Thank you for your understanding.

Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!

Christmas Celebration

Our sing-a-long performance is Tuesday 6th December – please place the date in your diaries!

There will be two performances- Morning 9.15am and Afternoon 12.30pm.

If your child attends Nursery all day parents/carers are welcome to attend the time that best suits work commitments. Please book in with Nursery Staff.

Please continue to help your child practise for the performance this weekend.
