

13<sup>th</sup> January 2023

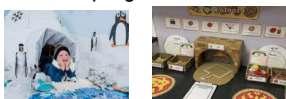

This week the children have been finding out about an artist called Guiseppe Arcimboldo. He is famous for making portraits using fruit and vegetables. The children also made their own portraits copying his style of art.

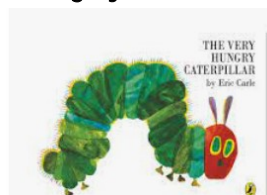

Our story this week is the Very Hungry Caterpillar. The children have been very keen to listen to and follow the story in our listening centre. The children have also been able to independently turn the CD player on and off. This week the children have also made some very tasty fruit kebabs. They used the same fruit which was found in the story about the Very Hungry Caterpillar.

Nursery have also had fun in our new role play areas. The children have been exploring our Arctic role play area and they have been using binoculars to find Arctic animals. In our outdoor area the children have also been making and delivering pizzas in our Pizza Parlour role play area.

### Story of the Week

### Homework

Can you make fruit and vegetable faces at home?

### Rhyme of the Week

#### Hey Diddle Diddle

Hey diddle diddle,  
The cat and the fiddle,  
The cow jumped over the moon,  
The little dog laughed  
To see such fun  
And the dish ran away with the spoon.

### Next Week

We are looking forward to celebrating the Chinese New Year. It will be the year of the Rabbit.

### Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
