

This week the children have enjoyed listening to our story of the week called The Shopping Basket. This story continued our theme about food. In the story the boy has to go to the shop for his mum. The children enjoyed talking about the events in the story and they also did a taste test of their favourite flavour of crisps because the boy in the story had to buy some crisps.

This week the children have also been learning about weight. They have used the balance scales to weigh different types of food. The children have been able to say whether the food is heavy or light

Story of the Week

Rhyme of the Week

Little Miss Muffet
Sat on a tuffet,
Eating her curds and whey,
Along came a spider,
Who sat down beside her
And frightened Miss Muffet away.

Birthday Cake Photos

We will be learning about birthday cakes from the past. If you have any old photos of children's birthday cakes or parties please add to Seesaw. They can be of your child or any members of your family when they were a child.

Homework

Can you help your child to compare the weight of some fruit and vegetables which you might have at home, for example, if you gave your child a lettuce leaf and a potato can they say which is heavy and which is light?

Next Week

- We will be celebrating Mental Health Week.
- Thursday 9th February – Parent and Child Reading Session. 11.15 or 2.30
- Friday 10th February – Relationships Day

Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
