

This week nursery have enjoyed celebrating British Science Week. The children were brilliant scientists and explored a range of scientific activities this week.

This week the children have also been counting and recognising pattern during their maths work.

The children also read a book called the Weather Girls and were able to talk about the different seasons, as well as talk about the different types of weather and the clothes they would wear.

Story of the Week

Homework

Ask your child to name the different types of clothing they will wear over the weekend.

Rhyme of the Week
Whether the Weather

Whether the weather is cold,
Or whether the weather is hot,
We'll weather the weather,
Whatever the weather,
Whether we like it or not!

Next Week

Friday 17th March - Children to wear their own clothes to celebrate Red Nose Day. Children to also bring in an Easter egg.

Thursday 23rd March – Easter Bingo

Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!
