

It has been a very busy week to end our Spring term.

In continuous provision we have completed a range of activities relating to Easter. We wrote some lovely notes and letters to the Easter Bunny, who then left us a nice surprise...chocolate eggs!

In the garden we enjoyed role play, taking on the role of community helpers and attending to emergencies.

### Story of the Week

### Rhyme of the Week

5 Easter eggs in the sweet shop  
Round and fat with a ribbon on the top  
Along came....with a penny one day  
Bought an Easter egg and took it away.

Repeat with

- 4 Easter eggs
- 3 Easter eggs
- 2 Easter eggs
- 1 Easter egg

### Easter Half Term

We hope you all enjoy the half term. We have given you a short holiday diary if you would like to help your child complete it over the 2 week break. Encourage them to draw a picture and make marks so they can share their news when we return to school. We have also given you some activities and ideas on seesaw. You can also post adventures on there too.

Our vocabulary and activities next half term are based on the topic 'Down on the Farm'.  
It is going to be another fun and busy term!

See you all on Monday 17<sup>th</sup> April 8.45am and 12.15pm.

### Magical Moment

We would like you to share your child's learning with us. We would love to hear about their 'Magical Moments' at home. Some examples could be trying to get dressed by themselves, putting on their coat, learning to ride a balance bike/trike or remembering to use their manners. Let us know!

Over half term, carry on practicing important skills with your child. We have given you some ideas below...

- Read one story a day.
- Sing Nursery Rhymes.
- Draw pictures, write pretend shopping lists and copy their name
- Go for walks, talk about things you can see- numbers on front doors, colours of cars and the weather.
- Complete jigsaws, play games and solve puzzles.
- Count objects around the house and outdoors
- Create repeating patterns with objects in the house or the park for example use toys or leaves and twigs.
- Have fun splashing in puddles on rainy days.
- Practice putting on coats and zipping them up.
