

This Week....

In literacy, we have been writing about our Mum and the people who are special to us in preparation for Mother's Day this Sunday. We have also created a beautiful card which we can't wait to share.

We have continued with our daily phonics lessons and this week we learnt how to read words ending in 'ing' such as 'singing and running'.

In maths, we have continued to learn all about number 7. We have discussed ways we can make 7 and the different ways that we can show this. Such as 5 and 2 fingers, or using a part part whole model.

In provision we have had lots of fun describing different materials after learning all about plastic last week. We have used playdough to create the correct amount of candles on birthday cakes and have been adding the correct amount of jewels to the crowns on our funky finger table.

Reception Newsletter 17th March 2023

Word of the week

Waterproof

Red Nose Day

We enjoyed taking part in Red Nose Day activities such as, pin the red nose on the teacher and a red nose and spoon race.

Star of the Week

Congratulations to our Star of the Week!

Bluebells: Lennon Busow

Daffodils: Rayan Miah

Well done!

Easter Bingo

Thank you for your kind Easter Egg donations.

On Thursday 23rd March we will be holding our Easter Bingo after school. We can't wait to see you all there!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
