## Liverpool Solihull Parenting News

### UNDERSTANDING YOUR CHILD

### SOLIHULL APPROACH

Solihull offer a range of free online parenting courses which support parents and carers in all aspects of parenting.

These courses are designed to help you understand your child's feelings, as well as focus on your own feelings, as you go through life as a family.

You will also learn to understand the changes in your child's development and how to make the most out of each relationship.

The courses – they are for everyone, for everyday parenting. They don't tell you how to parent, that's up to you. Instead, they give you a framework for understanding what might be going on and space to think about how you want to respond.

For ALL parents, carers, grandparents and teens. We all need a bit of headspace and thinking time occasionally.

From bump to 19+ years. Including adult relationships.

## Liverpool Lighthouse

Details of phonics workshops delivered by 'Liverpool Lighthouse' have been sent via Parentapp for Y1/Y2 parents - check it out for more information!

## Parking

We would ask you politely not to park on the zig-zag markings outside school. They are in force from 8.00am until 5.00pm. Please also kindly refrain from parking in the bus stop and across driveways. Please do not compromise the safety of our children. Thank you for your continued co-operation.
