## Y2 Formby Beach

On Thursday Y2 went on a trip to Formby Beach. The weather was beautiful and everyone had a fantastic time.

## Reception Health Screening

On Tuesday and Wednesday of next week, the children in Reception will be visited by the school health team who will carry out screening to test vision, hearing, height and weight. A questionnaire has been sent out via the Parentapp but if you missed it then please follow the link below:

## West Derby Wastelands

A huge thank you to the West Derby Wastelands charity who very generously awarded us a grant of £2000 this week which will go towards the building of an outdoor classroom in our Forest School. This money will help us enormously as we further develop this beautiful learning space within our school.

## Nursery

Nursery really enjoyed their visit from Acorn Farm on Tuesday. The children had the opportunity to hold and groom the animals - we even got a surprise visit from two of the chicks that hatched in the nursery...we were amazed at how much they have grown. The visit enhanced their learning of how farm animals are cared for.
