

This Week...

In phonics, we learnt how to read longer words that end with an 's' such as 'gardens', 'torches' and 'floats'. We have continued practicing all of our tricky words to help with our fluency when we read.

In maths, we have been learning all about the composition of number 8. We have been looking at the different ways we can make 8 and have recapped number bonds to 8. Why don't you have a go at finding two objects at home that make 8 such as 4 cars and 4 teddies or 3 crayons and 5 dolls.

In our continuous provision, we have continued with our topic 'Here Comes the Sun'. In the water tray, we have been practicing our knowledge of 3D shapes by playing guess the shape. We had to close our eyes and feel the shape in the water. We have been painting butterflies and have made symmetrical patterns by folding them over and squashing the paint down. On our funky finger table we have been using the tweezers to decorate the butterfly's wings with pompoms.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

This Week's Book

Daffodils class assembly

Due to industrial strike action, Daffodils class assembly has been rearranged and will now happen on Thursday 13th July at 9:00am in the Infant Hall. We look forward to seeing you there, Daffodils families.

Star of the Week

Bluebells: Penelope King

Daffodils: Lilly Johnson

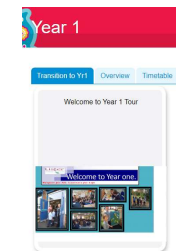

These children have been caught going over and above this week!

Transition to Year 1

In preparation for year 1 the children will take part in transition days and transition activities. Transition to year 1 activities will begin week commencing 4th July

Watch the Year 1 video on the school website.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
