

This Week...

We are so glad to be back after our half term! In phonics, we learnt how to read more phase 4 words such as 'paint' 'sport' 'green'. We have been practising our tricky words from last half term and have been spelling words like 'forest, 'toast, 'spoon and 'train.

In maths, we have been learning all about the composition of number 9. We have been looking at the different number 9 is made and how we can represent this, such as, on a part part whole model or using a Rekenrek.

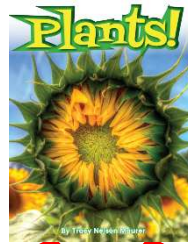

In our continuous provision, we introduced our new topic of "here come the sun". We have been painting our summer time objects such as ice cream and sunglasses on the creative table and have matched the correct pegs to the phonics sandcastles. As part of this topic we have also planted our own sunflowers this week. We are so excited to watch them grow and change over the next few weeks.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

This Week's Book

Biscuit Day

Next week it is Bluebells turn for biscuit week. We kindly ask that Bluebells bring one packet of biscuits with them on Friday 16th June. Thank you

Star of the Week

Bluebells: Dawid Treica

Daffodils: Michael Pecuty

These children have been caught going over and above this week!

Sports day

The children having been preparing for sports day in our PE sessions. We have practised lots of different skills and cannot wait to showcase them.

Sports Day dates and times are

Daffodils-Monday 3rd July at 11am

Bluebells- Monday 4th July at 11am

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
