

This Week...

In phonics, we learnt how to read longer words that end with an 'ed' such as 'helped', 'melted and smashed'. We have continued practicing all of our tricky words to help with our fluency when we read.

In maths, we have been learning all about the composition of number 9. We have been looking at all of the different ways that we can make number 9. In our NCETM sessions we have been looking at doubling and have been putting this in to practice by creating beautiful doubling butterflies and ladybirds.

In our continuous provision, we have continued with our topic 'Here Comes the Sun'. In our sand tray we have been reading the mini beast tricky words. On our funky finger table, we have been using the tweezers to add the correct amount of pompoms to the ice cream cones. And on our table top we have been searching for the correct amount of mini beasts in the green rice!

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 30th June 2023

Word of the week **Swamp**

Weather Update

As the weather is very changeable at the moment. We ask that the children bring a coat with them for outdoor play. Thank you.

Star of the Week

Bluebells: Adam Broadhurst

Daffodils: Kenda Basiony

These children have been caught going over and above this week!

Well Done

Sports day

On sports day we ask that the children come to school in their PE kits with sensible shoes. Daffodils will need their PE kits Monday as usual.

Bluebells will need their PE kits on Monday for PE then again on Tuesday for sports day. Thank you

Daffodils: Monday 3rd July -11:00am

Bluebells: Tuesday 4th July – 11:00am

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
