

This Week.....

We have continued learning our letters and sounds and have learnt the phonemes i, n, m and d this week. We have also been reading words like dip, mat and tin.

In maths, we have been learning about 2d shapes. We have explored shapes in provision by sorting them, making pictures and models with them and talking about how many sides and corners they have.

On Friday we celebrated 'Maths Party Day'. The children enjoyed exploring how maths is all around us. We read the book 'The Perfect Fit' and enjoyed exploring shapes around the environment. We enjoyed playing pass the parcel and uncovering a shape each time we unwrapped a layer. We made party hats and enjoyed some special party treats too!

Don't forget to follow us on Twitter to see photographs of all our fun activities. @ListerInf_Rec

Reception Newsletter 29th September 2023

Homework

This half term we will post a phonics and maths themed game or activity on Seesaw each week. We will also upload a video outlining the sounds learnt that week and send two copies of flashcards home for the children to practise recognising them.

Star of the Week

Bluebells: Cienna Thomas
Daffodils: Faye Ali

These children have been caught going over and above this week!

Nursery and Reception Open Evening

Do you have a child starting Nursery or Reception in September 2024?

Come and take a look at our wonderful school and have some fun with us!

Thursday 12th
October –
4 - 5.30pm

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
