

This week the children have been learning about Autumn.

The children have been very busy looking for signs of Autumn in our garden during this week's Forest School.

They recognised that the leaves from deciduous trees change colour during Autumn. The children collected leaves and were able to name the different colours. The children used the leaves to make some fabulous leaf crowns, using repeating patterns. In this week's Forest School the children also planted Spring flowering bulbs too.

This week the children also learnt a new rhyme called Five Little Leaves. The children were able to sing the rhyme and count how many leaves were left after the wind had blown some away.

Parents Evening

Parents Evening will take place on
Tuesday 24th and Thursday 26th October.
Please return your form as soon as possible.

Autumn Hunt

This week we have had fun looking for signs of Autumn by going on an Autumn Walk around our garden. Use the Autumn Checklist to help your child to continue to recognise the signs of Autumn when you next go for a walk, or go to the park.

Rhyme of the Week

This week we have enjoyed singing the rhyme 'Five Little Leaves'. See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

Five Little Leaves

Five little leaves so bright and gay,
Were dancing about on a tree one day.
The wind came blowing through the town.
And one little leaf came tumbling down.

Four little leaves so bright and gay,
Were dancing about on a tree one day.
The wind came blowing through the town.
And one little leaf came tumbling down.

Three little leaves so bright and gay,
Were dancing about on a tree one day.
The wind came blowing through the town.
And one little leaf came tumbling down.

Repeat with "Two little leaves..." and "One little leaf..."

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
