## This Week...

We have continued learning our letters and sounds. In phonics we learnt the digraphs 'ai 'ee 'igh and 'oa. We have been practicing our spelling and spelt words like 'rain', 'feet', 'right' and 'boat'.

In maths we have been comparing quantities and talking about more or less.

In our continuous provision we have continued with the winter theme and have had lots of fun playing with the different winter resources. In the water tray we have been adding the correct number of snowballs to the snowflakes. In the sand we have been building igloos using ice cubes and have been adding the correct amount of snowballs to the snowflakes on our funky finger table.

In yoga we met the red bear and learnt lots of new poses! We talked about the things that we love and make us happy

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Bluebells: Amarisa Igbineweka-Okhomina
Daffodils: Aissatou Baio

These children have been caught going over and above this week!

## Yoga

The children have started yoga again this half term. The children need to wear their PE kits on Mondays and Wednesdays.

## Toast

The children really enjoyed following the steps to make their own cereal last half term so this half term we are going to make our own toast. We will continue to do this each Monday until the end of this half term.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.
We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/fasten buttons/buckles? Let us know!
