

2nd February 2024

Story of the Week

This week the children have read a story called "The Very Hungry Caterpillar". The children have been able to sequence and retell the story.

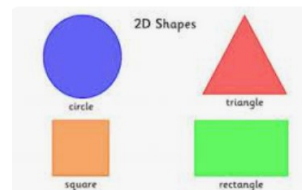

We have also made some delicious 'Very Hungry Caterpillar' fruit kebabs using the same fruit from the story. This helped the children to retell the story.

In Maths this week the children were able to recognise and name 2D shapes. The children used the shapes to make a 2D shape caterpillar.

Home Learning Challenge

This week the children enjoyed learning about 2D shapes. The children can recognise squares, circles, triangles and rectangles. Ask your child to find 2D shapes around the home or if you go out for a walk.

Rhyme of the Week

This week we have enjoyed singing the rhyme "Sing a Song of Sixpence". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

[Sing a song of sixpence - BBC Teach](#)

Sing a Song of Sixpence

Sing a song of sixpence,
a pocket full of rye.
Four and twenty blackbirds
baked in a pie.
When the pie was opened
the birds began to sing
Oh wasn't that a dainty dish to
set before the king!
The king was in his counting house
counting out his money
The queen was in the parlour
eating bread and honey
The maid was in the garden
hanging out the clothes
When down came a blackbird and
pecked off her nose!

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
