

## This Week.....

In phonics, we learnt the sounds air and er and we learnt the tricky words are, all, pure and sure. We also learnt how to read words with double consonants, for example, carrot, bigger. We have been practising all our Phase 3 tricky words too!

In maths, we have been learning all about the composition of number 3. We have been finding all the ways to make 3 and we used the part, part, whole model to practically show this. Can they find a way to make 3 at home using their toys? We would love to see this on Seesaw!

We are really enjoying learning all about Henri Rousseau and creating our own Jungle collages. Watch this space – these will be on display soon!

**Don't forget to follow us on Twitter to see photographs of all our fun activities.**

## Reception Newsletter 2<sup>nd</sup> February 2024

### This Week's Book

### National Storytelling Week

We really enjoyed our live author workshop this week with Ray Lowthian. The children are feeling very inspired about stories! Thank you to the parents who attended the family reading sessions this week!

## Star of the Week

Daffodils: Poppy Mae Dalton  
Bluebells: Thomas Humphreys

These children have been caught going over and above this week!

### Mental Health Week

Next week is Children's Mental Health week. We will be doing lots of feel good exercises such as yoga, getting fresh air and other activities that support us in feeling good.

**The children can wear a jumper or cardigan inside out on Thursday 8<sup>th</sup> to support 'Inside Out Day'.**

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
