### Story of the Week

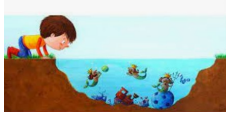

### Home Learning Challenge

This week the children have been learning about capacity. The children have been recognising whether containers are full, empty or half full. Ask your child whether their cup is full, empty or half full when you are at home.

### Magical Moments

This week the children have enjoyed a story called "Watch Out for Muddy Puddles." The children have been imagining what could be lurking in their own muddy puddle. The children had some brilliant ideas and said they could be sharks, bouncy castles and pirates in their muddy puddles.

This week the children also learnt about capacity and were able to recognise if a container was full, empty or half full.

The children have also produced some beautiful Spring time observational drawing of daffodils. The children used chalks to produce their pictures.

Nursery also enjoyed celebrating British Science Week.

The children explored making a rainbow, making bubbles, making weather in a cup and volcanoes using bicarbonate of soda and vinegar. Nursery also had a visit from a scientist who did some lovely science investigations with the children.

### Rhyme of the Week

This week we have enjoyed singing the rhyme "It's Raining, It's Pouring". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

### It's Raining, It's Pouring

It's raining, it's pouring  
The old man is snoring  
He went to bed  
And he bumped his head  
And he couldn't get up in the morning.

Rain, rain, go away  
Come again some other day  
Rain, rain, go away  
Come again some other day.

It's raining, it's pouring  
The old man is snoring  
He went to bed  
And he bumped his head  
And he couldn't get up in the morning.

### Giraffes Can't Dance Workshop

We are looking forward to hosting a drama workshop based on the story 'Giraffes Can't Dance'. There are few places left if you haven't booked. The workshops will take place on Tuesday 19<sup>th</sup> March at 9am and 12.45pm. If you have been successful of a place you will have been notified on Seesaw. Each attendee will receive a book and activity bag.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
