

Story of the Week

Home Learning Challenge

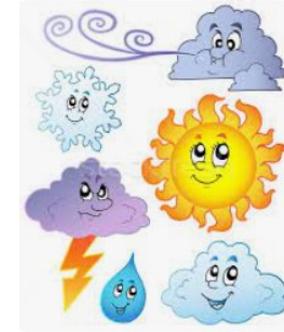

This week the children have been finding out about the weather and they have been able to say whether it is rainy, windy, sunny. When at home ask your child to describe what the weather is like and what they need to wear during this weather.

Rhyme of the Week

This week we have enjoyed singing the rhyme "Whether the Weather". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

Whether the Weather

Whether the weather be fine,  
Or whether the weather is not,  
Whether the weather is cold,  
Or whether the weather is hot,  
We'll weather the weather,  
Whatever the weather,  
Whether we like it or not.

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!

This week the children have enjoyed a story called "The Weather Girls". This has helped the children to learn about the seasons and to understand what the weather is like in each of the seasons. This story also helped the children to think of all the different things they can do during each season.

This week the children have been exploring capacity. They were able to say whether containers were full, empty, half full or half empty.

This week the children have also been investigating materials and have been finding out which was the best for the teddy, so that he could splash into puddles.
