

This Week...

We have continued learning our letters and sounds. We practised all of our taught phase 2 and phase 3 sounds and continued to practice reading words such as shimmer, rubbish and market.

In maths, we have been learning all about the 7. We have enjoyed finding different ways to make 7 and have been exploring different representations.

To celebrate British Science Week, the children have taken part in a range of science experiments. We were so lucky to have a real life scientist come and visit us this week and show us lots of different colour changing activities.

In our continuous provision, we have continued with our 'Once Upon A Time' theme. The children have enjoyed using the oats in the sand tray to compare volume. The children have been writing the CVC words on castles and at our funky fingers station the children have been adding the correct amount of beans to jacks beanstalk. As part of our DT topic this half term the children have been creating their own fairy-tale finger puppets! We can't wait to showcase them!

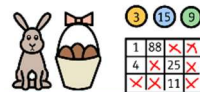

Reception Newsletter 15th March 2024

This Week's Book

Easter Bingo

Thank you to those who brought an Easter egg today. On Thursday 21st March we will hold our popular Easter Bingo straight after school. We look forward to welcoming you all!

Star of the Week

Bluebells: Zara Thompson

Daffodils: Aidan Perrin Murney

These children have been caught going over and above this week!

Red Nose Day

Today we celebrated Red Nose Day. We took part in lots of different activities and had so much fun!

Don't forget to follow our Twitter page to see pictures of what we got up to!

Giraffes Can't Dance workshop

We have very few spaces left on the Giraffes Can't Dance workshop. If you would like to attend please speak to one of the Reception Team.

Giraffes Can't Dance –

Tuesday 19th March 9:00am and 12:45pm

Notification of your place has been sent on Seesaw.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
