

3rd May 2024

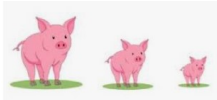

Story of the Week

This week the children have continued reading a story called Mrs Wishy Washy. This week the children have been sequencing pictures from the story and identifying whether they show events from the beginning, middle or end of the story. The children were also brilliant at retelling the story too.

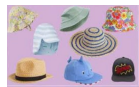

This week the children have also been learning about length and have been comparing objects. The children have been comparing the height of different farm animals and placing them in order from the smallest to the biggest.

During Forest School, the children have helped to plant bulbs in our hanging baskets. They have also been planting beetroot and carrot seeds too.

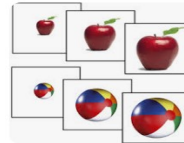

Sun Hats

The weather is starting to improve. Please may we ask that your child brings in a sun hat with their name on, which can be kept in school.

Home Learning Challenge

This week the children have been learning about length and have been ordering objects from the smallest to the biggest. Ask your child to compare the length of objects at home and put in order from the smallest to the biggest, for example fruit or toys.

Rhyme of the Week

This week we have enjoyed singing the rhyme "Baa Baa Rainbow Sheep". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

Baa Baa Rainbow Sheep

Baa Baa Rainbow Sheep,
Have you any wool.
Yes sir, yes sir,
Three bags full.
One for the master,
One for the maid,
And one for the little boy,
Who lives down the lane.

School is closed on Monday 6th May. It will reopen on Tuesday 7th at 8.45am.

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
