## This Week...

In phonics, we learnt how to read longer words with ing, ed and est at the end. We read words such as 'swimming, jumped, grunted and strongest'. Our new tricky words this week are 'out' and 'today'. We have been practising our spelling and wrote words like 'helped, softest and snapping'.

In maths, we have been learning all about the composition of number 6. We have been using the part part whole model to record this.

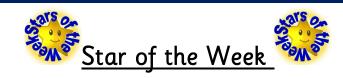

In our continuous provision, we have had an Australian theme. We have been using the pegs to make the Australian flag, playing koala and ladders and catching the correct number of fish from the Great Barrier Reef aka, the water tray.

Don't forget to follow us on Twitter to see photographs of all our fun activities. @ListerInf\_Rec

## Weather changes

As the weather is improving children are encouraged to bring a hat on days when we are expecting sun, to protect them while playing outside. We also recommend applying sun cream to your child in the morning before they come to school. As the weather is very changeable we do still recommend bringing a coat.

Bluebells: Gabriel Claudimo

## Daffodils: Ara Maroufi

These children have been caught going over and above this week!

## <u>Mini Topic Week</u>

We are going to be learning all about life in Australia to complete our topic of 'Up. Up and Away'. The children will be making sandwiches to go on a virtual picnic to Bondi Beach! Please see your child's teacher if they have any allergies to Ham, Cheese or Jam. Remember to complete a consent form on

> parent app. Thank you!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
