

## This Week...

We are so glad to be back after our half term! In phonics, we learnt how to read more phase 4 words such as 'paint' 'sport' 'green'. We have been practising our tricky words from last half term and have been spelling words like 'forest', 'toast', 'spoon' and 'train'.

In maths, we have been learning all about the composition of number 7. We have been looking at the different number 7 is made and how we can represent this, such as, on a part part whole model or using a Rekenrek.

In our continuous provision, we introduced our new topic of "here come the sun". We have been painting our summer time objects such as ice cream and sunglasses on the creative table and have matched the correct pegs to the phonics sandcastles. The children have been enjoying their new role play areas too.

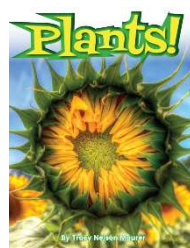

In Bluebells they have an Ice Cream Parlour.

In Daffodils they have a Garden Centre and Café.

Don't forget to follow us on Twitter to see photographs of all our fun activities.
