

This Week...

In phonics, we learnt how to read words that end with an 'er' such as 'sleeper', 'painter and brighter'. We have continued practicing all of our tricky words to help with our fluency when we read.

In maths, we have been learning all about doubling. This has followed on from last weeks NCETM doubling sessions. We have been using our doubling butterflies to help us double numbers to 5.

In our continuous provision, we have continued with our topic 'Here Comes the Sun'. On our funky finger table, we have been using the tweezers to complete the doubling butterflies. On our table top we have had green sticky spaghetti and have been collecting the hidden mini beasts using the tweezers.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 5th July 2024

Home readers

We have not sent home readers home this week. We will be collecting all home readers in, in preparation for end of year. If you have a home reader book please can you return it.

Star of the Week

Bluebells: Zara Tsiopani

Daffodils: Joseph Johnston

These children have been caught going over and above this week!

Bluebells class assembly

Bluebells class assembly is on Thursday 11th July at 9am. We have been practising so hard and can't wait to show you our honesty assembly.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
