

Lister Infant School

Sport Premium Expenditure

September 2024- July 2025

Sport Premium Statement

The Government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum was made available for the academic years 2013/4, 2014/5 and 2015/16. The Government have continued this funding until 2020 and have recently announced funding will be available for the academic years 2020-2021, 2021-2022, 2022-2023, 2023-2024 and 2024-2025. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

At Lister Infant School we believe that sport plays an important part as it contributes to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with academic standards. A high quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. It provides opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

Vision

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

Objective

To achieve self-sustaining improvement in the quality of PE and sport in primary school leading to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

PE Curriculum

A wide range of activities are delivered in school which aim to engage and inspire all children. We are also committed to ensure that all children receive at least two hours per week of high quality well-planned PE and physical activity. Over the year each child will participate in yoga, games, athletics, dance and gymnastics lessons. Opportunities are also planned for swimming in Year 2 where children are coached by specialist swimming coaches. (Please refer to the year group pages of the website for more details of PE lessons taught each term.)

The Wider Curriculum

PE and sport have a very high profile in our school and permeates many aspects of school life. In the summer term we hold our annual Sports Day in which we encourage participation of all children and organise competitive races for pupils. In order to include all, we plan for some events to be fun based whilst others are skill based.

Building on the success of Sport Relief, Lister Infants participates in The Daily Mile where all children participate in running or jogging around the playground at least three times a week to support physical development and aid wellbeing. Lister Infants was selected to be the flagship school for The Daily Mile in Liverpool and to support other schools looking to join. The staff and children were filmed completing the mile and they were interviewed. This has been published on their website to support other schools.

Other agencies are used to enhance the variety of activities available and we take full advantage when these opportunities become available. We work closely with partners such as LSSP and Y Sports to ensure our children receive the best physical opportunities and participate in all available competitions.

The school aims to offer a range of after school clubs to develop the children's physical skills such as multi skills, fencing, dance and judo. We also direct our pupils to half term clubs run by coaches in the school so they can be active during the school holidays.

Academic Year: 2024-2025

There are 5 key indicators that schools should expect to see improvement across:

1. Increased confidence, knowledge and skills of all staff in teaching PE and sport
2. The engagement of all pupils in regular physical activity
3. The profile of PE and sport is raised across the school as a tool for whole-school improvement
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>Purchase and implement new PE scheme of work from Get Set 4 PE</p> <p>Provide LSSP playground training for all support staff in the delivery of high quality physical activity in order to led effective play provision during play times.</p> <p>Redesign the playground into zones using company.</p> <p>Broaden the after school offer of clubs to include dance throughout the year and continue to offer multi skills, fencing and judo.</p> <p>Develop dance in the school by providing</p>	<p>All staff and pupils</p> <p>All support staff and pupils</p> <p>All pupils</p> <p>Teaching staff and pupils</p>	<ol style="list-style-type: none"> 1.
