Maths Party Day

The children have enjoyed Maths Party Day today. The focus was to help the children understand how maths is important in every day life and is needed for all jobs in the future. We took part in lots of activities including number stories, challenges and outdoor maths.

Maths Meetings

Now that your child has settled into school, they will soon be extremely busy with new learning every day. We know that you will want to support your child with their learning. For this reason we will regularly hold meetings throughout the school year to ensure that you are fully informed in all aspects of your child's learning journey. Mrs White (Maths Lead) will lead a meeting which will focus on information for parents to support your child with maths at home. The dates and times for your child's class are as follows:

Tue 1 Oct 2:15pm Y2 Infant Hall

Thu 3 Oct 2.15pm Y1 Infant Hall

Forest School

On Thursday 3rd October it is Tulips (1M) turn for Forest School. If possible can the children please bring in a pair of wellies (with name in) in a plastic bag. If your child does not have wellies then we suggest bringing an old pair of shoes/trainers as their school shoes will get very muddy. Thank you.

Arbor App

Just a reminder, if you haven't already downloaded the Arbor app and have not logged back in this year then please do so. If you are new to Arbor, we have sent a link via email to log on to the app. It is most important that everybody has the Arbor app as in the near future we will be using the payment function (and much more) which is now the technology that most schools have adopted. If you haven't received the link or your email address is incorrect then please inform the school office.
