

This Week.....

We have continued learning our letters and sounds and we have learnt another 4 phonemes this week. We have learnt i, n, m and d. We have been reading words like dip, mat, tin.

In maths, we have been learning about matching and sorting into sets. The children have been busy sorting object by colour, size, feature and matching sets that are the same.

On Friday we celebrated 'Maths Party Day'. The children enjoyed exploring how maths is used in everyday life. We watched lots of videos showing how maths is used daily and in some people's jobs. We talked about what we would like to be when we grow up and what maths we might use. We made and decorated party hats and enjoyed some special party cakes too!

Don't forget to follow us on Twitter to see photographs of all our fun activities. @ListerInf_Rec

Reception Newsletter 27th September 2024

This Week's Book

Home Learning

This half term we will post a phonics and maths linked game or activity on Seesaw each week. We will also upload a video outlining the sounds learnt that week and send two copies of flashcards for the children to practise recognising. If the children could practise these flashcards daily it will help them to recognise these quickly when reading.

Thank you

Star of the Week

Bluebells: Brooke Ambrose
Daffodils: Luella Broadhurst

These children have been caught going over and above this week!

Nursery and Reception Open Evening

Do you have a child starting Nursery or Reception in September 2025?

Come and take a look at our wonderful school and have some fun with us!

**Thursday 17th
October –
4 - 5.30pm**

Open Evening

Do you have a child starting Nursery or Reception in September 2025?
Come and take a look at our wonderful school and have some fun with us!

**Lister Infant School, Green Lane, L13 7DT
Thursday 17th October 2024, 4 - 5.30pm**

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
