

Nursery Newsletter

18th October 2024

Story of the Week

This week we continued with our story called Wow! Said The Owl. This week we revisited the story, and we were also very creative and made some wonderful owls using the leaves the children had brought in from their Autumn collection.

On Friday the children took their owls to the Key Stage One Forest School Area, and repeated the phrase “Wow! Said the owl,” as they investigated this area. The children for example said “Wow! Said the owl because the sky is blue.”

The children also enjoyed talking about the things they brought in from their Autumn Collection and they also use the magnifying glasses to make closer observations of the items they found.

Parent's Evening

Next week we will be holding Parent's Evening. This is a five minute meeting to find out about how your child has settled in the Nursery. It will be on Tuesday 22nd October. Appointments will be from 3:30pm to 6.30pm. You can book your appointment on Arbor app.

Home Learning Challenge

Putting on Shoes

Next week we will be able to use our garden area for Forest School. The children will be taking off their shoes and putting on their wellies. The children need to be able to put on their shoes after they go to Forest School, so please encourage your child to do this independently at home too.

Rhyme of the Week

This week we have enjoyed singing the rhyme ‘Five Autumn Leaves Hanging on a Tree’. See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

Five Autumn Leaves Hanging on a Tree

Five little leaves are hanging around,
Waiting to fall down to the ground.
The wind did blow right through the town,
But only one little leaf fell down.

Four little leaves are hanging around,
Waiting to fall down to the ground.
The wind did blow right through the town,
But only one little leaf fell down.

Repeat with Three, Two and One
(Last verse – And then the last little leaf fell down.)

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
