

This Week....

We have been busy completing our phonics assessments this week. We have practised all the graphemes and tricky words that we have learnt. We have been practising our blending skills by reading some CVC words such as cat, mop and hug.

In maths, we have learnt all about the number 1. We have been finding 1 in different ways and have been showing it in different ways, such as, using fingers, and Numicon. Can you find 1 of something at home?

We have enjoyed lots of spooky continuous provision this week. We have been making spooky potions in the water tray, finding the numicon in the spiders web and using the tweezers to free the spiders from the web.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 25th October 2024

This Week's Book

Library Trip

On Wednesday 6th November we will be going to the Library at West Derby School. Please return the consent form and library registration form on Monday 4th November.

Thank you.

Star of the Week

Bluebells: Nehir Maybarskan
Daffodils: Vinnie Walsh

These children have been caught going over and above this week!

Half Term

The children have had such a wonderful first half term in Reception. We look forward to welcoming you all back on

Monday 4th November at 8:45am

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
