

## Nursery Newsletter

8<sup>th</sup> November 2024

### Story of the Week

### Home Learning Challenge

Next week is World Nursery Rhyme Week. Ask your child which nursery rhyme is their favourite? Can they sing it to you? Don't forget to share this on Seesaw. We would love to share these during Nursery Rhyme Week. Thank you.

### Magical Moments

The children have been amazing at settling back into their Nursery routine after the half term break. This week we celebrated Bonfire Night, and the children were very excited to talk about all of the different coloured fireworks they saw. Nursery also painted their own fireworks pictures and used forks to spread the paint on their paper to create the effect of exploring fireworks. The children also learnt a new counting rhyme about fireworks too.

This week the children have been introduced to a new story called "Peace at Last." The children have been pretending to be Mr Bear and they used the Role Play Area for his house. The children were brilliant at listening and identifying all of the different sounds that kept Mr Bear awake.

This week the children have also been brilliant at looking after our garden. They helped to weed the garden and planted some daffodil bulbs too. Nursery are excited to see them bloom this Spring.

### Rhyme of the Week

This week we have enjoyed singing the rhyme 'Five Little Rockets'. See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

### Five Little Rockets

Five little rockets standing in a row,  
Five little rockets standing in a row,  
When one little rocket decides it's time to go,  
Five, four, three, two, one, blast off!  
There'll be four little rockets standing in a row.

Four little rockets standing in a row,  
Four little rockets standing in a row,  
When one little rocket decides it's time to go,  
Five, four, three, two, one, blast off!  
There'll be three little rockets standing in a row.

Three little rockets standing in a row,  
Three little rockets standing in a row,  
When one little rocket decides it's time to go,  
Five, four, three, two, one, blast off!  
There'll be two little rockets standing in a row.

Two little rockets standing in a row,  
Two little rockets standing in a row,  
When one little rocket decides it's time to go,  
Five, four, three, two, one, blast off!  
There'll be one little rockets standing in a row.

One little rocket standing in a row,  
One little rockets standing in a row,  
When one little rocket decides it's time to go,  
Five, four, three, two, one, blast off!  
There'll be no little rockets standing in a row.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
