

This Week....

We have continued learning our letters and sounds. In phonics we have going over all the graphemes and tricky words learnt this half term. Please continue to practise the flashcards and tricky words at home as it helps the children read these automatically.

In maths we have been learning all about the composition of the number 5. We have been making number 5 in lots of different ways such as using part, part whole models, 5 frames and representing 5 on our fingers.

This week we enjoyed lots of fun Christmas continuous provision. We have been weighing the presents and ordering from heavy to light. We have been decorating the Christmas trees by threading on beads and making some special Christmas crafts!

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 13th December 2024

This Week's Book

Next Week

On Thursday 19th December we will have our party day. The children can come to school wearing their own clothes.

Star of the Week

Bluebells: Adriel Ogunbadewa
Daffodils: Alice Littlemore

These children have been caught going over and above this week!

Christmas Sing along

Thank you to those who attended the Reception sing-a-long on Tuesday. The children have worked really hard and we hope you enjoyed their AMAZING signing and look forward to opening your gifts at Christmas.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
