

This Week.....

We enjoyed looking at the changes in winter as part of our learning in Science. It was lovely to experience the snow last week with our friends! We discussed the snowy weather and why some animals need to hibernate over the winter. In phonics we continued learning our letters and sounds. This term will focus on sounds with more than one letter. In phonics we learnt the sounds 'oo' 'oo 'or' and 'ar'. We also practised all of our tricky words from last term.

We have enjoyed exploring our new story 'Juniper Jupiter' discussing what our superhero names would be and what superpowers we would love to have.

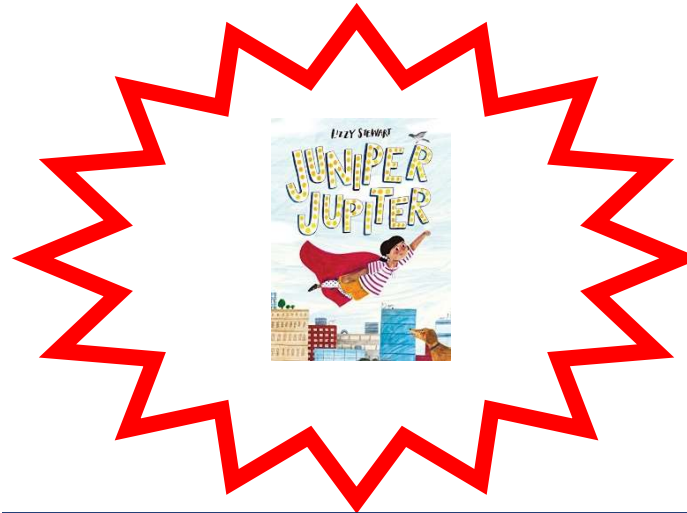

We had so much fun exploring our topic 'On Safari' we enjoyed lots of provision based on this like creating a giraffe neck with cubes based on numicon symbols and painting safari animals.

Don't forget to follow us on Twitter to see photographs of all our fun activities. @ListerInf_Rec

Reception Newsletter 17th January 2025

Snow's Gone, but Winter's On!

Although the snow is gone the winter weather is here to stay! We love going outside no matter the weather, so we need to be wrapped up warm for outdoor play. Please can we ask that all hats and belongings be clearly named to help the children with identifying all their belongings. Thank you.

Star of the Week

Bluebells: Savannah Smith
Daffodils: Bobby Johnson

These children have been caught going over and above this week!

Animals Take Over Workshop

Letters went home last week about a fantastic learning experience with Animals Take Over on Tuesday 21st. The children will meet and learn about some exotic rainforest animals. Thank you for returning your consent form the children are all looking forward to meeting all the different animals we have been learning about this term!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
