

This Week...

We have continued learning our letters and sounds. In phonics we learnt the digraphs 'ur, ow, oi' and the trigraph 'ear'. We have been practicing our spelling and spelt words like 'turn' 'down' 'join' and 'hear'. We learnt the tricky words 'my' 'by' 'all' and 'into'.

In maths we have been discussing learning all about the composition of 3. The children have been using a part part whole model to represent this.

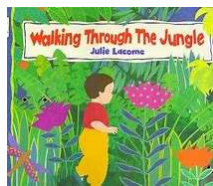

In our continuous provision we have adapted our environment to match our topic this half term of 'On Safari'. We have been creating water wash backgrounds for our Henri Rousseau inspired artwork. On our funky finger table, we've been matching the lower case lions to the uppercase. This was so much fun!

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 24th January 2025

This Week's Book

Beatles Day

Next Thursday (30th) we will celebrate Beatles Day. This will be a fun day learning all about the Beatles and the links to our wonderful city. We will even listen to a performance by some local musicians. The children can come to school in 60's inspired clothing.

Star of the Week

Bluebells: Kayden Reilly
Daffodils: Bobby Boyle

These children have been caught going over and above this week!

Animals Take Over

A huge thank you for supporting our Animals Take Over Workshop. The children had a wonderful experience and learnt lots of amazing facts and they met some amazing animals!

Check out our pictures on Twitter (X).

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
