

This Week.....

In maths, we have been learning all about the composition of number 5. We have been finding all the ways to make 5 and we used the part, part, whole model to practically show this. Ask your child if they can find a way to make 5 at home using their toys? We would love to see this on Seesaw!

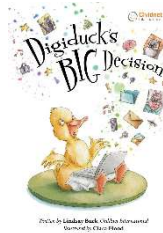

We have learnt so much this past half term, from lots of new sounds to different animals we might see on safari! Some highlights have been Animals Take Over, Beatles Day, Forest School, Children's Mental Health Week, Safer Internet Day and Relationship Day.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 14th February 2025

This Week's Book

Safer Internet Day

This week, we celebrated Safer Internet Day in Reception by reading *Digiduck's Big Decision* and exploring online safety. The children had fun creating and discussing fake avatars, learning how to stay safe while using the internet!

Star of the Week

Daffodils: Muhammed Kunnathodi
Bluebells: Kirsten Huni

These children have been caught going over and above this week!

Half Term Break

We are off from Friday 14th February and return to school on Monday 24th February. We hope everyone has a restful and safe break. We can't wait to see you when we are back.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
