

This Week.....

In phonics, we learnt how to read words with double sounds and longer words using the chunking method. We have been practising all our Phase 3 tricky words too!

In maths, we have been learning all about the composition of number 4. We have been finding all the ways to make 4 and we used the part, part, whole model to practically show this. Can they find a way to make 4 at home using their toys? We would love to see this on Seesaw!

We are really enjoying learning all about Henri Rousseau and creating our own Jungle collages. Watch this space – these will be on display soon!

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 7th February 2025

This Week's Book

Children's Mental Health Week

We really enjoyed our forest school session this week, the children loved being out in nature.

We also took part in 'Inside Out Day'. We talked about how our feelings are not always visible.

Star of the Week

Daffodils: Emilia Ordidge
Bluebells: Rosie Jones

These children have been caught going over and above this week!

Safer Internet Day

On Tuesday 11th February we will be learning all about being safe online.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
