Respect for All. Learners for Life

Our school value for this half term:  
'Respect'

'Treat people exactly how you would like to be treated by them'

7<sup>th</sup> March 2025

## World Book Day

We had a lovely time celebrating **World Book Day**. Each child received a token to put towards the purchase of a book. Our whole school had a great day dressing up as their favourite character from a book - we had a special parade for the children to showcase their outfits and they all looked fabulous! Thank you once again to anyone who donated dress-up costumes, it really is appreciated!

## British Science Week

British Science Week starts today and runs until 16 March. During this time the children will be taking part in exciting science experiments and lots of different activities. We had an amazing workshop today delivered by the 'Silly Science' company...it was so much fun! Check out Twitter for pictures!

## Great Athletes

We were very excited to welcome top athlete Michael Churm to school on Monday. Michael led a sponsored fitness circuit with the children, followed by a motivational assembly. The aim of the event was to inspire everyone to be more physically active and to pursue their passion in life whilst also helping to raise money for new sports equipment for school and supporting athletes to continue to inspire the next generation. Thank you to everyone who has donated already - please ensure that any sponsorship forms and money are returned to school by Monday 10<sup>th</sup> March. Alternatively you can donate online by visiting:

## Forest School

On Thursday 13<sup>th</sup> March it is Snowdrops (2H) turn for Forest School. If possible can the children please bring in a pair of wellies (with name in) in a plastic bag. If your child does not have wellies then we suggest bringing an old pair of shoes/trainers as their school shoes will get very muddy. Thank you.
