

This Week....

This week we have continued learning our letters and sounds. We practiced all of our phase 3 sounds and tricky words. We have also been practising reading words with digraphs and trigraphs along with longer words eg: thinker, torch, fantastic.

In maths, we have been learning all about the number 6. We have enjoyed counting 6, finding 6 and recognising this number in a range of different ways.

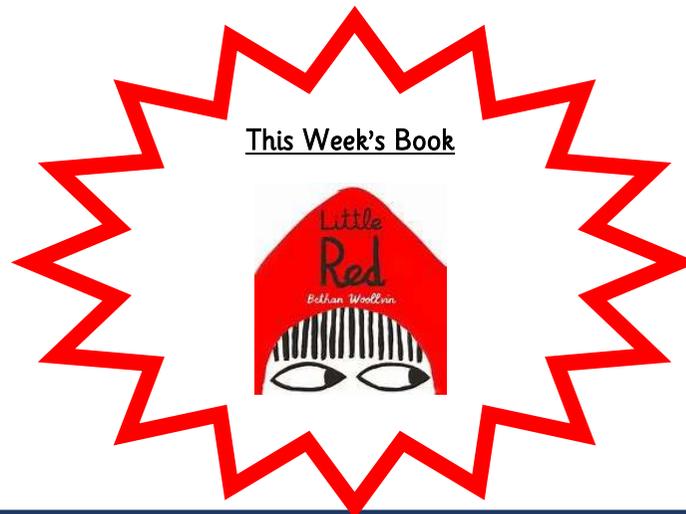

In our continuous provision we have enjoyed exploring Spring at our new Spring table. We also focused on Pancake Day. The children have been use the playdough to make and decorate pancakes. We have also been reading menus and decorating pancakes by adding the right amount of fruit toppings.

Don't forget to follow us on Twitter (X) to see photographs of all our fun activities. @ListerInf_Rec

Reception Newsletter 7th March 2025

This Week's Book

British Science Week

Next week is British Science Week and the focus is adapt and change. We will be enjoying some science workshops and engaging in some fun science experiments. Keep an eye on our twitter page to see what we get up to!

Star of the Week

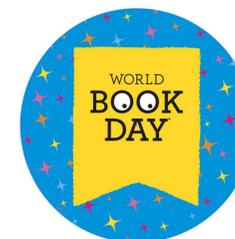

Bluebells: Habib Yaquobi
Daffodils: Faith Nwabuzor

These children have been caught going over and above this week!

World Book Day

The children really enjoyed coming to school in their favourite character costumes. They all looked wonderful! We loved talking about our favourite stories and characters.

The children have taken home a book token which can be swapped for a book at participating stores.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
