### Story of the Week

### Home Learning Challenge

This week the children have been learning to count Easter eggs. If your child has eggs at Easter or you go on an Easter egg hunt, ask them to count how many eggs they have.

### Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!

### Rhyme of the Week

This week we have enjoyed singing lots of nursery rhymes. Our favourite this week has been "Five Little Bunnies". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

### Five Little Bunnies

5 little bunnies sitting on my grass  
The first one said, "I'll hop away fast"  
The second little bunny said, "I'll hop away now."  
The third little bunny said, "But I don't know how!"  
The fourth little bunny said, "I'll show you the way."  
And the fifth little bunny followed after them to play.

As five little bunnies hopped across my lawn,  
I watched from the window till they were all gone.

This week we have also been counting eggs during our number work. We could count the numicon hidden in the eggs and could put the correct amount of eggs needed into our baskets.

We have also enjoyed making Easter cards and baskets and are very excited for Easter.
