

This Week.....

This week we have continued learning our letters and sounds. In phonics we are learning to read longer words such as 'forest' 'tantrum' and 'chimpanzee'. We have also learnt to read the tricky words 'there, when, what, one'.

In maths we have been learning all about the composition of number 6. We have been looking at the different ways we can make number 6.

In Science we looked at the differences in seasons and we talked about the clothes we might need to pack for summer and winter. We sorted the clothes into the correct suitcase.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Story of the Week

Continuous Provision

In our continuous provision this week we have created our own transport pictures using 2D shapes. We have also been recapping on pollution by cleaning the rubbish in the water tray so the fish could live in healthy clean water.

Star of the Week

Bluebells: Alice Milanese

Daffodils: Luca Smith

These children have been caught going over and above this week!

Daffodils Class Assembly

Daffodils have been practising their class assembly and can't wait to perform for their families on **Thursday 22nd May – 9:00am**

Bluebells will have their class assembly after the half term break...More information regarding dates and times will be shared closer to the time.

Mr Melia

Daffodils class have said goodbye to Mr Melia today. The children have really enjoyed learning with him this term.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
