

This Week.....

This week we have continued learning our letters and sounds. In phonics we are learning to read words with 5 sounds such as 'squelch, grand, sprint'. We have also learnt to read the tricky words 'come, love and do'.

In maths we have been learning all about the composition of number 6. We have been finding different ways to make 6 such as 3 and 3, 5 and 1 and 4 and 2. We represented this using the part, part whole model.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 9th May 2025

Story of the Week

In our continuous provision this week we have been searching for coins in the sand using magnets and sorting. We have also made VE day flags and crowns – check out our lovely bunting as you enter the Reception shed.

Star of the Week

Bluebells: Rosie Craig
Daffodils: Luella Broadhurst

These children have been caught going over and above this week!

Children to wear uniform

VE Day

We loved celebrating VE day with our garden party. Check out our twitter page to see what fun we had!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
