

This Week...

In phonics, we have been practising all our tricky words and graphemes that we have learnt this year. The children have been so quick at recognising the tricky words!

In maths, we have been learning to use the rekenreks to show numbers and the composition of numbers to 10.

We have enjoyed being minibeast hunters as part of our science topic 'We're going on an animal hunt'. We have enjoyed talking about the different minibeasts we found.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 11th July 2025

Well Done Bluebells

A big well done to the children in Bluebells class, they did a fantastic assembly for their parents.

Star of the Week

Bluebells: Abdullahi Olugbade

Daffodils: Muhammed Kunnathodi

These children have been caught going over and above this week!

End of Term

School finishes for the summer holiday on
Friday 18th July at 1.15pm.

school

closes

Friday

1.15pm

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
