Pupil Premium

If you think your child may be entitled to Pupil Premium there is an online checking service which schools can access to see if you are eligible. Infant children are automatically entitled to a free school meal but this will change when they are in Junior School, therefore if you are eligible and have not already applied then your application could be delayed. Whilst Pupil Premium is a benefit for the family, schools also obtain funding which is used to enrich the curriculum and so much more.

School can apply on your behalf - we need parent name, date of birth and national insurance number. If you think this may apply to your family then please enquire at the school office. Thank you
