

This week the children continued with the theme of their main text called 'Brown Bear, Brown Bear, What Do You See?' This week the children have been learning about the primary and secondary colours. The children have mixed the colours to paint a green frog, a purple cat, a goldfish and a brown bear.

We have also continued to learn about the different parts of the face and made some very tasty toasted bear faces and decorated the features of the bear's face with fruit.

Story of the Week

Home Learning Challenge

Have a look around the home – what things can you find that are the primary colours/secondary colours. If you have paints at home encourage your child to mix the primary colours of red, yellow and blue to make the secondary colours of purple, orange and green.

Rhyme of the Week

This week we have enjoyed singing the rhyme 'Twinkle, Twinkle Little Star'. See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

[Twinkle, twinkle little star - BBC Teach](#)

Twinkle Twinkle Little Star

Twinkle, twinkle little star
How I wonder what you are
Up above the world so high
Like a diamond in the sky
Twinkle, twinkle little star
How I wonder what you are

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
