

This Week...

We have continued learning our letters and sounds and have learnt the phonemes h, b, f and l this week. We have been reading words like dog, ten, get and nod. This week we learnt the tricky word 'the'. A tricky word is a word that we need to know because we can't sound it out.

In maths we have learnt all about shape patterns. We have been recognising 2D shapes and continuing repeating shape patterns.

In PE we have been practicing lots of different skills. We enjoyed playing team games this week following a pathway.

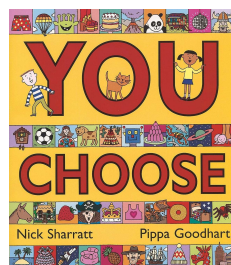

We have also been looking for signs of Autumn around our school grounds and have had lots of lovely autumn themed continuous provision. We fished out conkers in the water tray, added the spikes to the hedgehogs in our funky fingers area and painted autumn trees.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

Reception Newsletter 17th October 2025

This Week's Book

Parents Evening

Don't forget to book an appointment on Arbor for Parents Evening on
Tuesday 21st October.

Star of the Week

Bluebells: Winona Cooper
Daffodils: Georgie Lucas-Kane

These children have been caught going over and above this week!

Coats

As the weather is starting to change please may we ask that the children bring a warm coat every day. We love to go out whatever the weather!

Seesaw

Seesaw is now up and running. Please use this to share any achievements. We will use it to send announcements and share our learning. Let a member of staff know if you need support with accessing Seesaw.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
