

## This Week.....

We have been busy completing our phonics assessments this week. We have practised all the graphemes and tricky words that we have learnt. We have been practising our blending skills by reading some CVC words such as cat, mop and hug.

In maths, we have learnt all about the number 1. We have been finding 1 in different ways and have been showing it in different ways, such as, using fingers, and Numicon. Can you find 1 of something at home?

We have enjoyed lots of spooky continuous provision this week. We have been making spooky potions in the water tray, finding the numicon in the spider's web and using the tweezers to free the spiders from the web.

Don't forget to follow us on Twitter to see photographs of all our fun activities.

## Reception Newsletter 24<sup>th</sup> October 2025

### This Week's Book

**What an amazing first half term of school for all the children. We are so proud of everything they have achieved so far and cannot wait to continue growing and learning together after the break!**

## Star of the Week

**We are so proud of how reception have settled in this past half term!**

**They are all stars!**

## Half Term

We look forward to welcoming you all back on

**Monday 3rd November at 8:45am**

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw.

We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
