### Story of the Week

### Home Learning Challenge

The children have started to practise the songs for their Christmas Sing-a-long. Please encourage your child to practise singing them at home. Your child has been given a copy of the songs to help them.

### Rhyme of the Week

This week we have enjoyed singing lots of nursery rhymes. Our favourite this week has been "Rock-A-Bye Baby". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

[Rock a-bye, baby - BBC Teach](#)

### Rock-A-Bye Baby

Rock a bye baby on the tree top,  
When the wind blows the cradle will rock,  
When the bough breaks the cradle will fall,  
And down will come baby, cradle and all.

### Upcoming Events

### Magical Moments

This week Nursery have been learning about how to look after a baby. They pretended to have a new baby in their Role Play Aea and all the children took turns to look after the baby. The children were brilliant at caring for the baby. Nursery were also brilliant at saying what a baby needed.

The children also practised their pre-writing skills and designed a pattern for a baby grow.

The children continued to work on length and were identifying bigger and smaller. The children were excellent at comparing the size of the toys and saying which were bigger and which were smaller.

The children also continued reading Peace at Last and they went on a sound hunt. They then made a list of all the different sounds they could hear on their hunt.

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
